"But you understand, in order to go forward... we're gonna have to be able to show what we've accomplished." "We get that." "I just told you that." "We've got to get the notes together and then we can proceed." "Otherwise, no one will give us the time of day." "I'd love to take that for a grain of salt." "Please." "No, no, no." "Seriously." "That's the problem with you guys." "I'm gonna need a month." "A month?" "But there's no way that we can have" "A month?" "You're supposed to be working with us on this." "If you can't give us a month, that's your problem." "We are a body that needs to balance the needs of all the countries in the world." "We are not France." "We are not even the United States." "You don't just take months." "The whole thing is backwards." "It's almost like we forgot all that is involved in all these things." "Okay?" "Stop." "Stop." "We can work it out." "Nobody is going to die." "We're gonna work it out." "But you got to know that you're trying to kill me." "I'm not trying to kill you." "I'm trying to help you." "You're trying to kill me." "It's interesting." "Very interesting." "It is interesting." "There's just so many variables." "VARVARVARVARD" "There's really no precedent to follow here." "That's the problem, Shana." "Exactly." "That's the problem." "So that's why we're here." "It's not that we don't appreciate your work." "You know what?" "I totally appreciate what you did." "You're very smart." "Very smart." "One of the smartest people
