winrelais 7.01.rar . WinRelais 7.01 . Winrar Repair Software. Pizza tends to be the go-to food for any summer event, but it can be just as comforting and delicious to bring to an event during the winter. This versatile and delicious pizza can be the perfect alternative to your holiday party favorites and can serve as the perfect dessert for your New Year's party. What makes this pizza different than the more typical pizza options? The dough is a gluten-free blend of chickpea flour and amaranth flour, not just corn flour. The grain-based crust has a lovely light texture and is slightly sweet, giving you a soft wheat flavor that you won't find anywhere else. The ingredients on this pizza are: chickpea and amaranth flour, GMO-free olive oil, chickpea flour and amaranth flour, yeast, egg, salt and water. For the sauce, garlic, lemon juice and basil are added. It doesn't get much simpler than that, but it comes together perfectly. One of the benefits to having a delicious gluten-free crust is that you get the hearty texture you need with a smooth and flaky bottom. The crust also has a softer texture than typical pizza, which is a nice change of pace for some guests. This pizza can be made in advance, which is great because it means the rest of the event can be taken care of while you enjoy the party. The chickpea crust is also as delicious cold as it is hot, and the flavor remains consistent no matter how long it sits in your refrigerator. Chickpea Pizza Crust Ingredients 1/4 cup chickpea flour 1/4 cup amaranth flour 1 tsp salt 1/2 cup plus 2 tbsp water 1 1/2 tbsp olive oil 3 tbsp olive oil * You can use the toppings for the pizza in this recipe if you would like. Chickpea Pizza with Marinara Sauce Ingredients 1/2 cup marinara sauce 1 tsp olive oil 1/4 cup mozzarella cheese 1 tbsp chopped fresh basil 1 tsp lemon juice 1/4 tsp salt Chickpea Pizza Instructions Preheat the oven to 425 degrees. Line a pizza pan with parchment paper.
